Special Notice: Due to the various lead times involved in printing and mailing plus the fact the silver dollar market is extremely active, there is a possibility we may not be able to completely fill your order when it arrives. Therefore, if possible, please list alternate choices. Refunds will be sent on orders which cannot be completely filled. Some dollars you receive may exhibit original toning. This toning in no way decreases their value; in some instances it may actually enhance it. We feel silver dollars should be kept in their natural state. We recommend you do not attempt to clean any toned dollar you receive from us.

Hand-Selected 1904 Morgan Silver Dollars

While at a major Midwest coin show, one of our rare coin buyers had the opportunity to *hand-select* twenty 1904 Morgan silver dollars from five *original* rolls. The coins our buyer selected are all well struck, lightly toned full MS-65 specimens. They are beautiful! And while they last, we are sharing our good fortune by offering you one of these hand-selected beauties -- not for our normal price of $1250 — but for only $1195!

The 1904 Morgan silver dollar is one of the most difficult of all Morgan dollars to find in original mint state condition. Seldom available, the typically encountered 1904 doliar has been cleaned or dipped and shows evidence of mishandling. But thanks to this fortunate purchase, you can add a truly exceptional piece to your numismatic holdings. But hurry! Only twenty coins are available and they are certain to quickly sell. Order today!

Paramount Is Your U.S. Proof Set Headquarters!

The finest quality! Our buyers are very picky about proof sets! Coins which are badly discolored, hairlined or otherwise undesirable are passed by. If a proof set is not good enough for one of our buyer's personal collections, it is not good enough for one of our customers! But in order to obtain the finest sets available, we naturally must pay a little more. Even so, our customers have repeatedly told us they prefer to pay a little extra for quality.

Note: Please call or write for prices and availability of earlier (1936-1942) proof sets.

Morgan Dollar Portfolios

Let's have some straight talk about coins in general and Morgan silver dollars in particular.

No "Santa Clauses" or "good-hearted Harrys" exist in numismatics. *You get what you pay for!* It's a hard fact, but it is true. We know because we're out there virtually every day and we know what accurately graded coins sell for. We also know what "bargain" coins look like, and what they are really worth.

It's a fact that Paramount is not a "bargain basement" dealer. We believe we offer the most consistently conservative grading in the industry. And we're proud of it. We believe we also offer our accurately graded coins for fair market value. And we're proud of that, too. Don't come to us if you are looking for anything less.

Mint State Morgan dollars are the most popular coins in today's numismatic world. And the most abused. Anyone with any sense of honesty or integrity would cry if they could only see some of the Morgan dollars we receive from hopeful sellers. It's a crime what these people have been sold. We are not at all exaggerating when we state that we have seen Morgan dollars barely grading Very Fine which have been polished and sold as "choice" or "gem".

In this month's *Special Price List,* we are proud to offer five different Morgan silver dollar portfolios, each comprised of carefully selected coins grading Mint State 63 *and better.* Each portfolio has been discounted approximately 5% to 7%, depending upon the size of the portfolio. We know these percentages may not sound like much. We also know other dealers advertise silver dollars at "below wholesale". But if their coins are so great, why don't they sell to us and save all that advertising expense? Once again, *you get what you pay for.*

Paramount has sold more mint state Morgan dollars to collectors in the last five years than any other dealer. Honesty, accurate grading and fair prices are the reasons why!

All portfolios will be assembled as orders are received. If you would like your portfolio constructed in a specific way, please call or write. (Sorry, Peace dollar portfolios are not available at this time.) *Satisfaction is guaranteed.* Order your accurately graded Morgan dollar portfolio today!
